

Arriving in Rome and getting to Hotel

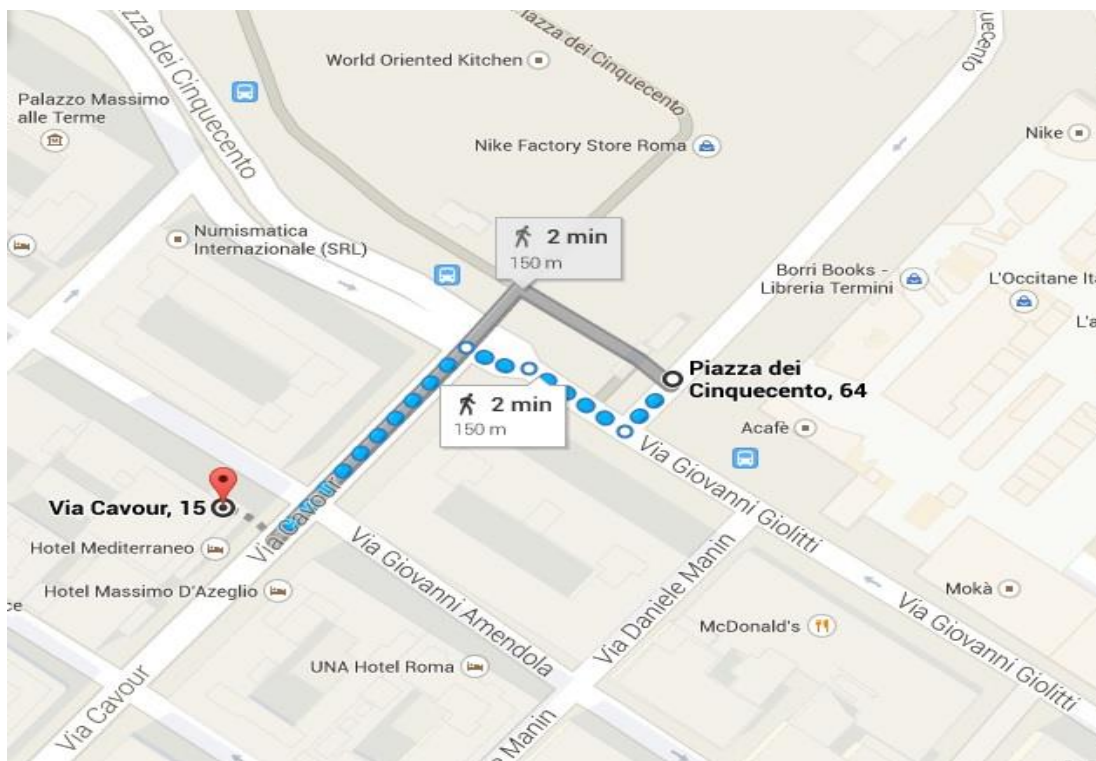

There is a direct connection from the Fiumicino airport to the central station, *Termini*. This train is called *Leonardo Express* and is a non-stop train from the airport to Termini, taking around 30 minutes. This is the best option for those staying at **Hotel BETTOJA MEDITERRANEO**.

An alternative train which has a stop closer to FAO is the Fiumicino - Fara Sabina/Orte line (FM1) which stops at the main Roman railway stations (Trastevere, **Ostiense**, Tuscolana, Tiburtina). The Ostiense stop is closest to FAO and to **Hotel DOMUS AVENTINA**.

Train tickets can be purchased at the ticket counter or at the ticket machines in the train station within the Fiumicino airport (follow the signs for the train station once exiting the baggage area).
