GENERAL DESCRIPTION OF TASK(S) AND OBJECTIVES TO BE ACHIEVED

Under the overall guidance of the FAO Representative in Viet Nam, the overall supervision of the Senior Technical Coordinator of Emergency Center for Transboundary Animal Disease (ECTAD) VN, and in close collaboration with the Department of Animal Health staff, the International FAO Epidemiologist, FAO Outreach Coordinator and the National Project Coordinator, the incumbent will be responsible for undertaking the following tasks and duties:

- 1. To conduct a needs assessment of DVS staff and AHWs with the aim to define training needs and specific objectives for the DAH elearning system;
- To develop the e-learning curriculum targeting the separated groups of DVS staff and AHWs, including procedures to evaluate training outcomes;
- 3. To assist in identifying and recruiting trainers;
- 4. To coordinate and oversee the process of course content development and production;
- 5. Liaise closely with the IT Consultant to develop e-learning system specification and an online e-learning platform;
- 6. To supervise the pilot roll-out of the e-learning system in six provinces including organizing review meetings in each province;
- 7. Complete additional tasks as requested.
