

HLPE report on Nutrition and Food Systems

CALL FOR EXPERTS FOR THE HLPE PROJECT TEAM

From 9 December 2015 to 30 January 2016

At its 42nd session in October 2015, the CFS decided that the HLPE will prepare a report on *Nutrition and Food Systems*, expected to be presented at CFS 44 in October 2017.

As part of its report elaboration process, the HLPE is now calling for interested experts to candidate to the work on this study. **Candidates need to express their specific intention to participate either as:**

1. **Project Team Leader, or**
2. **Project Team Member**

Experts who candidate for the role of Project Team Leader, should take note of the extra duties of Project Team Leaders, with respect to the role of Project Team Member. [Kindly refer to the HLPE Internal Procedures, para 1.3.1](#) for details on the role and responsibilities of HLPE Project Team Leaders.

Please note: [For more information on the HLPE Report elaboration process, please consult the Internal procedures and methodological guidelines of the HLPE.](#)

The Project Team will be selected by the HLPE Steering Committee by March 2016 and will work from March/April 2016 to end of May 2017, as per the study timeline (see back of this page).

[Download the Application Form for Project Team Leaders](#)

[Download the Application Form for Project Team Members](#)

All Application Forms should be accompanied with an updated CV and sent via e-mail to:
cfs-hlpe@fao.org

Please note that in parallel to this call for experts, **the HLPE is holding an open electronic consultation to seek views and comments on an Issues Note of the study**, as proposed by the HLPE Steering Committee. To read the proposed note and participate to the consultation, visit the HLPE dedicated website: <http://www.fao.org/fsnforum/cfs-hlpe/nutrition-and-food-systems>.

The call for candidature is open until 30 January 2016
