## COMMISSION ON GENETIC RESOURCES FOR FOOD AND AGRICULTURE

Tenth Regular Session

Rome, 9 – 12 november 2004

### REPORTS FROM INTERNATIONAL ORGANIZATIONS ON THEIR POLICIES, PROGRAMMES AND ACTIVITIES ON AGRICULTURAL BIOLOGICAL DIVERSITY PART II:

#### THE INTERNATIONAL AGRICULTURAL RESEARCH CENTRES OF THE CONSULTATIVE GROUP ON INTERNATIONAL AGRICULTURAL RESEARCH (CGIAR)

#### LIST OF NATIONAL AND INTERNATIONAL PARTNERS IN RESEARCH PROGRAMMES ON FARM ANIMAL GENETIC RESOURCES

At its Ninth Regular Session, the Commission on Genetic Resources for Food and Agriculture requested that future reports of CGIAR Centres provide more detailed information on the contributions of national institutions to joint programmes with the Centres. The International Livestock Research Institute (ILRI) and International Center for Agricultural Research in the Dry Areas (ICARDA) have provided the following list of partners on research programmes on Farm Animal Genetic Resources, as indicated in paragraph 40 of Document CGRFA-10/04/11.2, *Reports from international organizations on their policies, programmes and activities on agricultural biological diversity*:

(2) *International Agricultural Research Centres of the Consultative Group on International Agricultural Research (CGIAR)* .

For reasons of economy, this document is produced in a limited number of copies. Delegates and observers are kindly requested to bring it to the meetings and to refrain from asking for additional copies, unless strictly indispensable.  
Most FAO meeting documents are available on Internet at [www.fao.org](http://www.fao.org)
