

Appendix 1

Status by country of
national legislation
related to plant genetic
resources for food and
agriculture

LEGEND:

X

Legislation adopted before 1 January 1996

X

Legislation adopted after 1 January 1996

Y

Part of broader legislation adopted before 1 January 1996

Y

Part of broader legislation adopted after 1 January 1996

O

Draft or ongoing legislation

Z

Part of a broader draft or ongoing legislation

P

Party to the treaty or convention before 1 January 1996

P

Party to the treaty or convention after 1 January 1996

S

Signatory of the treaty or convention before 1 January 1996

S

Signatory of the treaty or convention after 1 January 1996

Regional

Regional agreement (this information is given only when the country that has signed the regional agreement has not adopted national legislation)

¹ No information was available for Andorra, and the West Bank and Gaza Strip.

² Legislation on ABS also includes national approaches, policies, frameworks and guiding principles on ABS as well as regulations governing genebanks.

³ Only the latest Act to which the country adhered is indicated. However, the colour of the case does not refer to the date on which the country adhered to the latest Act but to the date on which the country joined UPOV (before or after 1996).

⁴ PBR legislation does comply with UPOV.

⁵ PVP legislation does not comply with UPOV.
