EXECUTIVE SUMMARY

- The Secretariat is in the process of preparing the Financial Statements for the biennium 2008-09. A summary of the financial highlights for the biennium 2008-09 will be presented to the Committee as an introduction to this agenda item.
- At its 137th Session, Council considered proposals to encourage timely and full payment of assessed contributions from Member Nations, and requested the Finance Committee to continue to explore this issue. This document presents the Status of Contributions to the Regular Programme as at 31 December 2009, and an updated cash forecast as at 1 March 2010. Significant improvements are reported in this respect, specifically:
 - Decrease in the total amount of outstanding contributions¹ from USD 68.2 million and EUR 61.6 million at 31 December 2008 to USD 40.8 million and EUR 22.4 million respectively at 31 December 2009
 - Reduction in the number of countries in arrears from 47 to 42
 - Improvements in the payment pattern within the group of the Organization's largest 15 contributors, with unpaid contributions in this group as at 31 December 2009 of USD 17.4 million and EUR 16.0 million compared to USD 25.7 million and EUR 42.56 million respectively as at 31 December 2008
 - An improvement in the cash position of the Organization at the beginning of 2010 compared to earlier years. If last year's payment patterns are maintained by Members, there is no expected recourse to external borrowing during 2010.

GUIDANCE SOUGHT FROM THE FINANCE COMMITTEE

- The Committee is invited to note the status of outstanding contributions and arrears and the forecasted positive cash position throughout 2010.

Draft Advice

- **The Finance Committee notes the improvement in receipts of contributions from Members and the improved cash position. Mindful of previous guidance from Council, the Committee urges all Member Nations to make timely and full payment of assessed contributions to ensure that FAO continues to meet the operating cash requirements for the Programme of Work.**

¹ not including instalments due in future years of USD 2,438,593 and EUR 6,549

Total Contributions Outstanding

6. The following charts show the geographical distribution of the total of all Regular Programme contributions outstanding in USD and EUR at 31 December 2009.

MEASURES TO ENCOURAGE TIMELY PAYMENT OF CONTRIBUTIONS

7. The Committee, at its 128th Session in July 2009, recalled its earlier discussions in several past sessions concerning the efficacy and appropriateness of the incentive scheme for prompt payment of contributions in the face of rising levels of unpaid current assessments and arrears. Following discussion of the rules of the scheme, and considering the importance of sending a signal to Members regarding the need for early payment of contributions, the Committee agreed that the discount rate to be used to apply credits towards 2010 contributions should be set at 0.03% for US dollars and 0.43% for Euros, and to so inform the Council.

8. The Conference, at its thirty-sixth Session in November 2009, noted the contents of the Report of the Hundred and Thirty-seventh Session of the Council which, in considering the Report of the Hundred and Twenty-eighth Session of the Finance Committee, had taken note of the recommendation that all measures currently in place to encourage timely payment of contributions should be continued. The Conference supported the request of the Council that the Finance Committee continue to explore other means to encourage timely and full payment of contributions.

UPDATED CASH FORECAST AS AT 1 MARCH 2010

9. The Organization had approximately USD 90 million in General Fund cash at end February 2010. Assuming a pattern of receipts of contributions from Members similar to 2009, cash balances should remain positive throughout the year. All Members are therefore encouraged to make concerted efforts to pay their contributions on a timely basis.
