

Unlocking private green finance to halt deforestation and forest degradation and accelerate climate action

Wednesday, 4 May 2022 | 12:30-14:00(KST)

INVITATION

SK Forest cordially invites you to the side event which aims to overview the successful stories on involvement of private sectors to conserve forest ecosystem and benefit sharing with local stakeholders and trigger active participation of private sector into sustainable forest management.

The WFC 2022 will provide a unique opportunity for the global forestry community to consider the state and future of world forestry.

<PROGRAM>

Moderator: Yo Han Lee (Professor, Yeungnam Uni.)
