

SDG Indicator 5.a.1

Job Aid – Survey module for collection at **individual level (self-respondent)**

	List of questions	Responses	Explanation
Q1	Do you currently use, own, or hold use rights for any agricultural land (including pastoral land), either alone or jointly with someone else?	1_Yes 2_No (end of module)	Reported possession (self-perception of respondent's possession status). This question refers to whether the respondent, not the respondent's household, holds any agricultural land. It measures reported possession, which captures the respondent's self-perception of his/her possession status, irrespective of whether the respondent has a formal documentation.
Q2	Is there a document for any of the agricultural land you own that is issued by or registered at the Land Registry/Cadastral Agency, such as a title deed, certificate of ownership, certificate of hereditary acquisition?	1 - Yes 2 - No >> Q4	This question identifies whether there is a legally recognized document for any of the agricultural land the respondent reports having. Documented ownership / secure rights refer to the existence of any document an individual can use to claim ownership or secure rights in law over the land.
Q3	What type of documents are there for the agricultural land you own, and is your name listed on any of the documents as owner or right use holder? LIST UP TO 3, SHOW PHOTO AID	Codes for document type: 1 - Title deed 2 - Certificate of customary ownership 3 - Certificate of occupancy 4 - Certificate of hereditary acquisition listed in registry 6 - Lease, registered 7 - Other (specify: _____)	The list of options is indicative and countries are encouraged to adopt a country-specific list. It is of utmost importance that the list includes only country relevant documents that are enforceable before the law. Because individual names can be listed as witnesses on a document, it is important to ask if the respondent is listed "as an owner" on the document. It is recommended that the measure of documented ownership / secure rights is not conditional on the respondent producing the document for the enumerator to confirm.
Q4	Do you have the right to sell any of the agricultural land you own, either alone or jointly with someone else?	1_Yes 2_No 98_Don't know 99_Refuses to respond	Alienation rights. This question obtains information on whether the respondent believes that he/she has the right to sell any of the agricultural land s/he reports possessing. When a respondent has the right to sell the land, it means that he or she has the right to permanently transfer the land to another person or entity for cash or in kind benefits.
Q5	Do you have the right to bequeath any of the agricultural land you own, either alone or jointly with someone else?	1_Yes 2_No 98_Don't know 99_Refuses to respond	Alienation rights. This question obtains information on whether the respondent believes that he/she has the right to bequeath any of the agricultural land he/she reports possessing. When a respondent has the right to bequeath the land, it means that he/she has the right to give the land by oral or written will to another person(s) upon the death of the respondent
