BACKGROUND

1. The 36th Session of the Codex Committee on Food Additives agreed to the proposal that the Circular Letter for new and or revision of adopted food additives provisions in the GSFA would include a form for the submission of proposals, which would clearly identify the seven criteria for initiation of work as outlined in the *Procedure for Consideration of the Entry and Review of Food Additives Provisions in the GSFA*.¹ It was further agreed that the replies submitted would be compiled by the Secretariat in a working document and considered by the physical Working Group on the GSFA, which will make recommendations as to their inclusion in the GSFA at Step 2 (Ref. REP14/FA para. 98).
