BACKGROUND

1. CCFA46 agreed that the Circular Letter requesting proposal for new and/or revision of food additive provisions in the GSFA would include a form for the submission of proposals, which would clearly identify the seven criteria for initiation of work as outlined in the *Procedure for Consideration of the Entry and Review of Food Additives Provisions in the GSFA*. (Ref. REP14/FA para. 98).
2. CCFA49 agreed to include in the form for the submission of proposals for new and/or revision of food additive provisions two additional questions: (i) whether the proposal is related to a FC with corresponding commodity standards; and (ii) whether the proposal is also intended to revise the products covered by the commodity standards. (Ref. REP17/FA paras. 61 and 62)
3. CCFA50 agreed on the revision of Annex 1 to clarify if the revision of the provision in the GSFA applies to Table 1 and 2 or Table 3. (Ref. REP18/FA para. 63)
4. Replies to this CL, will be compiled, by the CCFA Secretariat, in a working document to be considered by the Physical Working Group on the GSFA, which will make recommendations on their inclusion in the GSFA at Step 2.
