NOTES ON THE PROVISIONAL AGENDA

- Item 1 **Adoption of the Agenda :** In accordance with Rule V.2 of the Rules of Procedure, the first item on the Provisional Agenda shall be the adoption of the Agenda.
- Item 2 **Matters Referred to the Committee by the Codex Alimentarius Commission and other Codex Committees:** The Committee will consider matters referred, and in particular the request of the Committee on Food Labelling to consider methods of analysis for foods derived from biotechnology, taking into account the preliminary list of methods prepared in the framework of the Intergovernmental *ad hoc* Task Force on Foods Derived from Biotechnology.
- Item 3 **Proposed Draft General Guidelines on Sampling :** The Committee initiated work on General Guidelines on Sampling at its 19th Session (1994). The last Session of the Committee returned the Proposed Draft General Guidelines to Step 3 for further redrafting by France in collaboration with other countries, comments and consideration by the 23rd Session.
- Item 4a **Proposed Draft Guidelines on the Application of the Criteria Approach:** The Committee first considered this issue at its 19th Session. The Committee will consider a first draft of the guidelines prepared by the United Kingdom in collaboration with several countries.
- Item 4b **Amendments to the Procedural Manual Relevant to the Criteria Approach - Principles for the Establishment of Codex Methods of Analysis and Sampling and Relations Between Commodity Committees and General Committees:** The last Session of the Committee agreed to request comments on the proposed amendments (CL 1998/42-MAS, Appendix II, ALINORM 99/23). The Executive Committee recommended that the final text should be included in the relevant volume of the *Codex Alimentarius* as advice to governments and not in the *Procedural Manual*.
- Item 5 **Consideration of Harmonized Guidelines for the Use of Recovery Information in Analytical Measurement :** The Committee has been considering this issue since its 19th Session. The Committee will consider the Guidelines published by IUPAC and comments submitted on the Guidelines to decide whether to recommend that the Commission adopt the document by reference for Codex purposes.
- Item 6 **Harmonization of Analytical Terminology in Accordance with International Standards – "Measurement Limits" :** The Committee at its 21st Session decided to request the Inter-Agency Meeting to recommend whether it would be appropriate to include "limits" in the selected terminology and to elaborate their definitions. The 22nd Session agreed that the United States would prepare a paper on this issue, in collaboration with other countries.
- Item 7 **Measurement Uncertainty :** The Committee considered this item for the first time at its 20th Session. As decided at the last session, the Committee will consider a) the progress report presented by relevant organizations and b) a paper prepared by a group of countries on the *Relationship between the analytical result, the measurement uncertainty and the specification in Codex Standards*.
- Item 8 **In-House Method Validation :** The Committee will consider a discussion paper prepared by the Netherlands in collaboration with other countries. The Committee will also consider a revised draft of the IUPAC *Harmonized Guidelines for the In-House Validation of Methods of Analysis*, to decide how this document could be used for Codex purposes.
- Item 9 **Endorsement of Methods of Analysis Provisions in Codex Standards :** The Committee will consider method of analysis provisions in Codex Standards submitted by the relevant Codex Committees for endorsement. The Committee will consider the report of the *ad hoc* Working Group on Endorsement that will meet immediately prior to the Session (CRD 1).
- Item 10 **Report of an Inter-Agency Meeting on Methods of Analysis:** The Committee will receive a report (CRD 2) of a session of the Meeting of International Organizations in the area of developing methods of analysis and sampling, scheduled immediately prior to the Session.

- Item 11 **Other Business and Future Work:** In accordance with Rule V.5 of the Rules of Procedure, any Member of the Commission may propose the inclusion of specific items of an urgent matter. The Committee may propose to undertake new work which shall be in compliance with the Medium Term Objectives and subject to the approval by the Commission or its Executive Committee. The Committee may wish to consider consolidation of its programme of future work.
- Item 12 **Date and Place of the Next Session.** The Committee will be advised of the tentative dates and the venue of the next meeting.
- Item 13 **Adoption of the Report:** In accordance with Rule VIII.1 of the Rules of Procedure, the Committee shall adopt the report of its 23rd Session, based on a draft provided by the Secretariat.
