**ASUNTO:** **Solicitud de observaciones sobre el tema 2 del programa: Zilpaterol y el tema 11 del programa: Otros asuntos, del borrador del informe del 44.º período de sesiones de la Comisión del Codex Alimentarius**

**PLAZO:** **30 de noviembre de 2021**

## Antecedentes

1. La novena jornada del 44.º período de sesiones de la Comisión del Codex Alimentarius (CAC) llegó a su fin el 18 de noviembre de 2021 con dos temas del informe pendientes de aprobación:
  - Tema 2: Sección relativa a las recomendaciones del Comité Ejecutivo sobre la vía a seguir para los LMR propuestos para el zilpaterol.
  - Tema 11: Otros asuntos.
2. Con objeto de facilitar la labor de recabar observaciones sobre estos dos temas del informe, se han publicado en el Sistema de observaciones en línea del Codex, donde estarán disponibles durante una semana, desde el 24 de noviembre a las 12 horas (mediodía) CET hasta el 30 de noviembre a las 12 horas (mediodía) CET.
3. Los textos se presentan tal y como se han publicado en los diferentes idiomas en el marco del [borrador del informe](#), ya que no se han alcanzado conclusiones sobre los cambios propuestos para ninguno de los dos temas.
4. Al presentar sus propuestas escritas, las delegaciones deben recordar que:
  - El informe final es un resumen escrito y conciso de la reunión, en el que se recopilan las decisiones tomadas y el modo en que se han alcanzado.
  - En el informe final no se repiten con detalle las diferentes posiciones, que se instó encarecidamente a las delegaciones a presentar a través del mecanismo de observaciones y los documentos de sesión, aunque figurará una referencia a las observaciones escritas pertinentes siempre que se disponga de ellas.
5. En este contexto, las observaciones sobre el borrador del informe se deberían centrar en las correcciones propuestas al texto actual, así como en las propuestas de adición de texto en los casos en que falte alguna información que resulte esencial para seguir adelante.
6. Dado que ninguno de estos puntos conduce al avance de una norma, no es conveniente incluir ninguna reserva.
7. Las opiniones minoritarias, de conformidad con el artículo X.1 del Reglamento de la Comisión del Codex Alimentarius, podrán figurar en un anexo al informe.
8. Toda propuesta de corregir el texto actual o de añadir nuevo texto deberá incorporarse como observación.
9. Las observaciones pueden formularse en cualquiera de los seis idiomas oficiales del Codex.
10. Además, será posible ver las observaciones de las demás delegaciones. De este modo las delegaciones podrán expresar su opinión sobre las observaciones del resto, así como sobre el borrador del informe. Las delegaciones pueden acceder y añadir observaciones al borrador del informe en cualquier momento y podrán hacerlo en varias ocasiones mientras el período de observaciones permanezca abierto. Durante ese período también se podrán retirar las observaciones.

11. Una vez se cierre el período de observaciones, la Secretaría del Codex revisará el texto a partir de las observaciones aportadas, con objeto de evitar textos incompatibles y velar por que se refleje el debate de forma equilibrada. El borrador del informe revisado se publicará en los seis idiomas oficiales en la página del 44.º período de sesiones de la CAC en el sitio web del Codex al menos 24 horas antes del décimo día del período de sesiones de la Comisión para su adopción (fecha todavía por confirmar).

### **Solicitud de observaciones**

12. Se invita a los miembros del Codex y observadores a presentar sus observaciones sobre el borrador del informe del 44.º período de sesiones de la CAC, que se encuentra cargado en el Sistema de comentarios en línea (OCS) del Codex: <https://ocs.codexalimentarius.org/>, de conformidad con la orientación general que figura a continuación.
13. Solo podrán realizar la revisión los miembros y observadores que hayan participado en el 44.º período de sesiones de la CAC. La lista de participantes se adjunta en el Anexo I como documento de referencia.

### **Directrices generales para la presentación de observaciones**

14. Los miembros del Codex y observadores deberán presentar las observaciones a través de sus respectivos puntos de contacto utilizando el OCS.
15. Los puntos de contacto de los miembros del Codex y observadores pueden acceder al OCS y al documento abierto a las observaciones seleccionando “Acceder” en la página “Mis revisiones”, disponible una vez que se ha accedido al sistema.
16. Los puntos de contacto de los miembros del Codex y las organizaciones observadoras deberán facilitar los cambios propuestos y observaciones/justificaciones pertinentes relativos a un párrafo específico (en las categorías: edición, cuestiones sustantivas, cuestiones técnicas y traducción) y/o con respecto al documento (observaciones generales o comentarios de resumen). Puede encontrar orientación adicional sobre las categorías y tipos de comentarios del OCS en las [preguntas frecuentes](#).
17. Se pueden consultar otros recursos adicionales del OCS, entre ellos el Manual del usuario y una breve guía, en el siguiente enlace: <https://www.fao.org/fao-who-codexalimentarius/resources/ocs/es/>.
18. Cualquier consulta sobre el OCS debe ser dirigida a [Codex-OCS@fao.org](mailto:Codex-OCS@fao.org)
