

COMMISSION DU CODEX ALIMENTARIUS

Organisation des Nations Unies
pour l'alimentation
et l'agriculture

Organisation
mondiale de la Santé

F

Viale delle Terme di Caracalla, 00153 Rome, Italie - Tél: (+39) 06 57051 - Courrier électronique: codex@fao.org - www.codexalimentarius.org

CL 2020/80/OCS-CAC
Novembre 2021

- AUX:** Points de contact du Codex
Points de contact des organisations internationales ayant le statut d'observateur auprès du Codex
- DU:** Secrétariat de la Commission du Codex Alimentarius,
Programme mixte FAO/OMS sur les normes alimentaires
- OBJET:** **Demande d'observations sur le point 2 de l'ordre du jour : zilpatérol et le point 11 de l'ordre du jour : Questions diverses, du projet de rapport de la quarante-quatrième de la Commission du Codex Alimentarius**
- DATE LIMITE:** **30 novembre 2021**

Généralités

1. Le Jour 9 de la quarante-quatrième session de la Commission du Codex Alimentarius, qui s'est déroulé le 18 novembre 2021, a laissé en suspens l'adoption de deux points du rapport :
 - Point 2: Section relative aux recommandations du CCEXEC sur la voie à suivre concernant l'avant-projet de LMR pour le zilpatérol;
 - Point 11: Questions diverses.
2. Pour faciliter la réception des observations sur ces deux points du rapport, lesdits points seront présentés dans le Système de mise en ligne des observations du Codex (OCS) pendant une semaine, du 24 novembre à 12 h 00 (midi) HEC au 30 novembre à 12 h 00 (midi) HEC.
3. Les textes seront identiques aux textes de [l'avant-projet de rapport](#) dans toutes les langues, car les suggestions de modifications n'ont abouti à aucune conclusion pour ces deux points.
4. Lorsque les délégations formuleront leurs observations par écrit, elles devront prendre en considération les éléments suivants:
 - Le rapport final constitue une synthèse écrite et concise de la réunion. Il récapitule toutes les décisions prises, ainsi que le processus ayant permis d'atteindre un consensus.
 - Les positions détaillées, que les délégations sont vivement encouragées à exposer par le biais du système d'observations et des documents de séance, ne seront pas retranscrites dans le rapport final, mais des références aux observations écrites pertinentes seront incluses, le cas échéant.
5. Dans ce contexte, les observations relatives à l'avant-projet de rapport devront se concentrer sur les suggestions de corrections à apporter au texte existant et les suggestions d'ajouts audit texte lorsque l'absence d'une information essentielle empêche de passer à l'étape suivante.
6. Compte tenu du fait qu'aucun de ces deux points ne permettra de faire avancer les normes abordées, il convient de ne pas émettre de réserves.
7. Conformément à l'Article X.1 du Manuel de procédure de la Commission du Codex Alimentarius, les opinions minoritaires devront être ajoutées en annexe du rapport.
8. Toute suggestion de correction au texte existant ou d'ajout de texte devra prendre la forme d'une observation.
9. Les observations pourront être formulées dans l'une des six langues officielles du Codex.
10. Il sera également possible de consulter les observations émises par les autres délégations. De fait, les délégations pourront exprimer leur opinion sur les observations formulées par d'autres délégations, ainsi que sur l'avant-projet de rapport. Les délégations pourront accéder à l'avant-projet de rapport à de multiples

reprises et à tout moment, et elles pourront formuler leurs observations pendant la période expressément définie. Elles pourront aussi supprimer leurs observations.

11. À la fin de la période dédiée à la soumission des observations, le Secrétariat du Codex révisera le texte en se fondant sur les observations fournies dans le but d'éviter toute contradiction dans le texte et de garantir une représentation équitable du débat. La révision de l'avant-projet de rapport sera publiée dans les six langues officielles sur la page de la quarante-quatrième session de la Commission au moins 24 heures avant le Jour 10 de la Commission pour adoption (date à confirmer).

Demande d'observations

12. Les membres du Codex et observateurs sont invités à présenter des observations sur le projet de rapport de la quarante-quatrième de la Commission du Codex Alimentarius, qui est chargé sur le Système d'observations en ligne du Codex (OCS): <https://ocs.codexalimentarius.org/>, conformément aux directives générales ci-dessous.
13. La révision est ouverte uniquement aux membres et observateurs qui ont participé à la quarante-quatrième session de la Commission. Une liste des participants est jointe en Annexe I comme document de référence.

Orientations concernant la présentation des observations

14. Les observations doivent être présentées dans le système OCS, par l'intermédiaire des Points de contact des membres du Codex et observateurs.
15. Les Points de contact des membres du Codex et observateurs peuvent accéder au système OCS et au document ouvert aux observations en sélectionnant "Entrer" dans la page "Mes révisions", disponible après avoir accédé au système.
16. Les Points de contact des membres du Codex et des organisations observatrices doivent fournir des propositions de changements et des observations/justifications sur un paragraphe spécifique (dans les catégories: rédactionnels, de fond, techniques et traduction) et/ou au niveau du document (observations générales ou observations récapitulatives). Des conseils supplémentaires sur les catégories et les types d'observations de l'OCS se trouvent dans les [questions fréquentes de l'OCS \(FAQs\)](#).
17. Des directives supplémentaires sur le système OCS, notamment le Manuel de l'utilisateur et le guide succinct sont disponibles sur le site du Codex: <http://www.fao.org/fao-who-codexalimentarius/resources/ocs/fr/>
18. Les éventuelles questions sur le système OCS peuvent être adressées à Codex-OCS@fao.org.

LIST OF PARTICIPANTS**CHAIRPERSON**

Mr Guilherme Antonio Da Costa
Food Safety Expert
Ministry of Agriculture, Livestock and Food Supply
Brazilia
Brazil

VICE-CHAIRPERSONS

Prof Purwiyatno Hariyadi
Professor, Bogor Agricultural University
Southeast Asian Food and Agricultural
Science and Technology (SEAFAST) Center
Bogor
