December 2022

**TO:** Codex Contact Points  
Contact Points of international organizations having observer status with Codex

**FROM:** Secretariat, Codex Alimentarius Commission,  
Joint FAO/WHO Food Standards Programme

**SUBJECT:** Request for comments on the Priority list of contaminants for evaluation or re-evaluation by JECFA

**DEADLINE:** 28 February 2023

## BACKGROUND

1. For background information, please refer to the discussion held, and decisions made on the priority list at the 15<sup>th</sup> Session of the Codex Committee on Contaminants in Foods (2022)<sup>1</sup> available in the report of CCCF15 on the Codex webpage<sup>2</sup>.

## REQUEST FOR COMMENTS

2. Codex members and observers are invited to provide comments on the priority list of contaminants for evaluation or re-evaluation by the Joint FAO/WHO Expert Committee on Food Additives (JECFA) by completing the template attached to the Annex of this circular letter<sup>3</sup>. In particular, information on availability of relevant data/information necessary for JECFA for perform the requested evaluation/re-evaluation is highly desirable.
3. This CL should be considered together with CL 2022/85-CF on the review of Codex standards and related texts for contaminants, with regard to proposals for the review of maximum levels (MLs) that may need re-evaluation by JECFA. Coordinated comments on the two CLs will assist CCCF16 (2023) to better assess its future work vis-à-vis ongoing work, follow-up to the outcomes of JECFA evaluations and ad hoc expert consultations and consequently to more strategically address new work on Codex standards and related texts for contaminants in food and feed.
4. Comments submitted in reply to this CL will be considered by the Working Group on Priorities which will meet prior to CCCF16 to prepare recommendations for the revision of the priority list for consideration by the plenary session.
