Ladies and Gentlemen

Mr. Chairperson,

As Mr. Chairperson mentioned that CFS is a part of UN base in Rome (FAO, WFP and IFAD) which these UN Agencies has their own programs and outcomes.

Now, with the endorsement of CFS country members related to the Voluntary Guidelines on Food Systems and Nutrition, how do we engage the guidelines into their programs, take into consideration it's background, objectives and the implementation.

Timor Leste is appreciated to CFS products of Voluntary Guidelines on Food Systems and Nutrition and the findings, and committed to apply these products in the implementation of Timor Leste National Council of Food Security/KOSSANTIL.

So far, there are findings of Food System and Nutrition issues with own response strategic by different entities such as Government, Development Partners and other actors involved in Food System and Nutrition.

Mr. Chairperson,

With this CFF's results, Timor Leste committed to make alignment in the Timor Leste National Council of Food Security as well as working with development partners through the mechanism that has been established for the multi stakeholder approach
