## CFS 47 AGENDA AND TIMETABLE

### CFS 47 Agenda

#### Timekeeping and high-level participation

CFS plenary sessions provide the opportunity for meaningful dialogue and interaction among stakeholders, including the space for delegation heads to orally present their formal statement to the open plenary session, or in writing if they prefer. Delegates are asked to keep their interventions succinct (three minutes or less unless presented by a Minister or constituency delegation head or on behalf of an entire regional group) and relevant to the item under discussion. Lengthy formal statements are not anticipated, but presentations longer than the apportioned time can be shared electronically by the CFS Secretariat and posted on its public website. A traffic light system will be in place to help delegates manage their time allocations.

All delegates are requested to email their statements to [cfs@fao.org](mailto:cfs@fao.org), at least 1 hour before the session, so they can be shared with the interpreters for interpretation in FAO's six official languages, and to be posted in the *Statements* section of the CFS 47 web page (in their original language).

In the event that a Member State delegation will include senior-level participation such as a Minister, Vice Minister, State Secretary (or equivalent), they should inform the Secretariat in order for that delegation head to be given priority protocol consideration on the Speakers List.
