

**CFS INPUTS TO THE 2023 HIGH LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT (HLPF)  
DRAFT WORKPLAN**

**I. Background**

This activity is envisaged by the 2020-2023 Multi-Year Programme of Work (MYPoW) as part of the overall supporting activity “CFS engagement in the 2030 Agenda” (paras 62-64).

MYPoW provisions on ways to carry out this task<sup>1</sup> are no longer applicable as the timeline to provide inputs to the HLPF has significantly shortened over the last years.

The process proposed below is in line with the practice followed over the last two years, leading to the following outcomes:
