

## Comments from Egypt

- 1- To replace "gender-based discrimination" to "discrimination based on sex" throughout the document.
- 2- To replace "gender responsive" to "gender sensitive" throughout the document.
- 3- To remove the word "specifically" in Para 27 (Since we agreed that the document will only address women and girls).
- 4- To change the title of Para 33 to read: "Unequal access to and distribution..."
- 5- To change "transformative and gender-responsive" to "transformative and gender sensitive" throughout the document.
- 6- To change "all forms of violence, including sexual violence and gender-based violence", to "all forms of violence" throughout the document.
- 7- To change "multiple and intersecting forms of discrimination" to "all forms of discrimination".
