

ACTION PLAN TO STRENGTHEN THE UPTAKE OF CFS POLICY PRODUCTS DRAFT DECISION

MATTERS TO BE BROUGHT TO THE ATTENTION OF THE COMMITTEE

1. The Committee considers documents CFS/2024/52/4 "Action Plan to strengthen the uptake of CFS policy products" and CFS/2024/52/5 "Action Plan to strengthen the uptake of CFS policy products – Draft Decision", as presented by Ms Josyline Javelosa (Philippines) and Ms Ronit Gerard (United States of America), Co-Rapporteurs of this workstream.

2. The Committee:

- a) Endorses document CFS/2024/52/4 "Action Plan to strengthen the uptake of CFS policy products" as an important instrument that presents a variety of actions that CFS stakeholders should take in order to strengthen the usefulness, ownership, awareness and use of CFS policy products;
- Expresses its deepest appreciation for the effective leadership of the Co-Rapporteurs and commended the work of the Open-Ended Working Group that led to successful finalization of the Action Plan;
- c) Welcomes the keynote intervention of [XX], on the importance of strengthening efforts and developing concrete actions to promote the use of CFS policy products at all levels;
- d) While recognizing the primary responsibility of Member States, underlines the collective responsibility of all CFS stakeholders in strengthening the uptake of CFS policy products which requires joint efforts and close collaboration among different actors, such as the UN Rome-based Agencies;
- e) Calls on all CFS stakeholders to take concrete steps in implementing the recommendations included in this Action Plan, in line with its nature as a guide and starting point for a living process that draws on different experiences, practices and actions;
- f) Notes that the implementation of the Action Plan will be based on the availability of the required budgetary and extrabudgetary resources and encourages CFS stakeholders to mobilize adequate financial, technical and human resources for its implementation and to increase the capacity of all relevant actors to use CFS policy products.
