

Protecting Mountain Biodiversity

Provisional programme

Chairperson: Piotr Kowalik, Gdansk University, Poland					
day	hour	location	activity	Lecturer (tentative)	topic
Friday 9	10.00	Pracatinat	Plenary lectures	Chairperson: Piotr Kowalik, Gdansk University, Poland	
				Rosalaura Romeo FAO-Mountain Partnership Secretariat, Rome	The IPROMO programme and its role in promoting sustainable mountain development
				Eva Spehn, GMBA office, Basel	Setting the stage for Mountain Biodiversity. Ten years of work by the Global Mountain Biodiversity Assessment (GMBA) of DIVERSITAS.
				Pier Carlo Sandei, UNEP, Wien	Global and Regional Agreements for the conservation of biological and landscape diversity in mountains
				Lido Riba, UNCEM Piemonte	UNCEM presentation
Chairperson: Piotr Kowalik					
day	hour	location	activity	Lecturer (tentative)	topic
Saturday 10	9-12	Pracatinat	Workshop brainstorm	Chairperson: Piotr Kowalik - All participants	Mountain biodiversity problems in the Developing Countries
	15-18				
Monday 12	9-13	Alagna	Lecture	Guido Trivellini, WWF Italia	Soil and biodiversity
	14-16		discussion	Piotr Kowalik, Gdansk University, Poland	Mountain soils and biodiversity
Tuesday 13	9-13	Alagna	Lecture	Zbigniew Niewiadomski, Bieszczady National Park, Poland	Transboundary mountain protected areas
	Afternoon		Discussion		
Wednesday 14	9-13	Alagna	Lecture	Renzo Motta, Luca Battaglini, University of Turin, Italy	Field Trip (Val d'Otro)
	Afternoon		Discussion		
Thursday 15	9-13	Alagna	Lecture	Dunia Hurrego, Florida Institute of Tecnology, Florida, USA	Mountain biodiversity in tropical ecosystems
	Afternoon		discussion		
Friday 16	9-13	Alagna	Lecture & Discussion	Giorgio Buffa, University of Turin, Italy	Significance of biodiversity: ecological value
	17-19		Synopsis of the week	Piotr Kowalik, Polytechnical University of Gdansk, Poland	General view of the lectures
Saturday 17	9-17	Mt. Rosa	Field Trip	Michele Freppaz & Angelo Caimi, University of Turin, Italy	Biodiversity at high elevation on the Alps
day	hour	location	activity	Lecturer (tentative)	topic
Monday 19	9-13	Ormea	Lecture	Renzo Motta, University of Turin, Italy	Biodiversity in the Mediterranean mountains
	Afternoon		Discussion		
Tuesday 20	9-12	Ormea	Lecture	Ciro Gardi, Joint Research Centre, Italy	Mountain soils biodiversity
	14-16		Discussion	Barbara Burlingame, FAO	Biodiversity and nutrition
Wednesday 21	9-13	Ormea	Lecture	Ruth Noguerón, World Resources Institute, Forest landscape Initiative, Washington DC, USA	Forestry, wood production and biodiversity
	Afternoon		Discussion		
Thursday 22	9-13	Ormea	Lecture	Ricardo Villalba - Alejandro Casteller, Argentine Institute for Snow, Ice and Environmental Research. IANIGLA-CONICET	Climate change and mountain biodiversity
	14-17			Piotr Kowalik, Polytechnical University of Gdansk, Poland	
Friday 23	9-12	Isola Gallinara	Field trip		Mediterranean biodiversity
