

# PERSONAL PRESENTATION

K N Vajpai- INDIA

[vajpai@chimalaya.org](mailto:vajpai@chimalaya.org)

## IPROMO

**Managing Mountain Resources And Diversities:  
The Role Of Protected Areas  
Ormea 8-18 July 2016**

# EDUCATION

- Masters in Environmental Sciences & Environmental Law-India
- Integrated Water Resources Management: Canada

## EMPLOYMENT AND MAIN ACTIVITIES

<a href="http://www.cHimalaya.org">www.cHimalaya.org</a>	<a href="http://www.unido.org">www.unido.org</a>
Convener	National Project Coordinator
Awareness & Advocacy: Climate Change in Himalayas India, Nepal, Bhutan, Pakistan	Promoting Low Carbon Emission Technology through Green Energy in India

# OTHER INTERESTS (Volunteer work, hobbies)

- Invited speaker to national & international events on Water, Climate Change, Mountain development issues of : SDC (Switzerland), IUCN, MP-FAO, Govt. of India, International River Foundation (Australia), ICIMOD (Nepal), ODI & IBLF (UK), IHDP (Germany), APN (Japan), WMO, UN-University, ADB, Swedish Ministry..
- Professional membership: IUCN, IWHA, IIT, WW2BW, WSSCC, GWA, MF, FAO-MP, FAN, IFN, CAWST, TIES, UN Solution Exchange, etc.
- Over 40 publications on water, environment, climate change, mountains
- Blog: [www.vajpai.org](http://www.vajpai.org)

# WORK-I: Piloting Green Energy Options in India

**e.g. Head <3 m  
on existing man-  
made canal**

Installing LCET-Low Carbon Emission Hydro Power Technology, can locally help in Energy Security & Carbon emission reduction

# Innovating Low Carbon Emission Technology

- Piloting in India | Incubation for localization | On-site capacity building  
| Green Enterprise development

# Green Energy for Organic Farmers & Eco-Tourism Enterprises

# WORK-II: Innovating, Info.. Sharing in Himalayas

## CLIMATE HIMALAYA

As an empirical climate network 'CLIMATE HIMALAYA' innovates on closing knowledge gap through information sharing and networking on climate change impact in the Himalayan Mountains. [www.chimalaya.org](http://www.chimalaya.org)

# CLOSING KNOWLEDGE GAP: CLIMATE CHANGE

- Highlighting Climatic variability and Impact in the Himalayas through online portal [www.cHimalaya.org](http://www.cHimalaya.org)
- Developed A Pan Himalayan Climate Network on Climate Linked issues
