---

## IPROMO

*Mountains in a changing climate: Threats, challenges and opportunities*

**28 September-09 October 2020**

## Education

---

- Degree in Organizational and Institutional Management (*focused on Civil Society Organizations*) -*finishing thesis- Universidad Nacional de San Martín (Argentina)*
- *Some advances (before) in the careers of graphic design and multimedia design*

## Employment and main activities

---

In addition to various tasks within the Fundación Agreste, I work freelance in the field of communication and digital marketing.

## Other interests (volunteer work, hobbies etc.)

---

- Singing, currently as a hobby, in choirs and vocal groups I did for many years.
- Hiking trails and tourist outings.
- In a pandemic, I spend some time gardening and cooking, especially on healthy recipes.

- Coordinating the series of courses in Spanish within the framework of the **Fundación Agreste - UNCCD** agreement, facilitating access to the Capacity Building Marketplace courses for the Spanish-speaking public through the e-learning Platform Campus Multimedia Agreste.

# Presentation of a project you are working on

2/3

- Coordinating digital communication spaces open to the participation of different entities for the dissemination of activities focused on the responsible use of natural resources and the protection of the environment for sustainable development.
