

KIDS WFD 2020 TRIVIA

It's that time of the year again!
World Food Day (WFD)
is around the corner and we plan on celebrating it with you!

This year marks the 40th anniversary for WFD and comes at an exceptional time as we are all trying to cope with a new life amid the COVID-19 Pandemic. But who said we can't have fun and stay safe at the same time?

We've planned a fun virtual day full of activities for you on **October 22nd** to celebrate WFD and to learn about many interesting topics that are related to our day to day lives.

We invite you to join our "**Kids WFD 2020 Trivia**" which will focus on **food waste!**

Come prepared with the knowledge and we'll ask you 10 questions to see who's the **Food Waste Guru** among you!

This competition is open to children from **10-14 years** of age.

If you're interested, send us your name and age by **4 October 2020** to the following e-mail: Nourhan.MohamedRagaiiAhmed@fao.org and mention **Kids WFD 2020 Trivia** in the subject line.

Here are some sources to get you started in your research:
