A number of new grants have been provided in 2023-2024 and some are currently still under negotiation, which are detailed below:

- The USA - An additional **USD 10 million** on top of the USD 20 million, bringing the project to **USD 30 million in total** (already initiated in May 2023)
- PhosAgro - An additional **USD 3 million** to the USD 2.4 million making the project of **USD 5.4 million overall** (already initiated in 2018)
- Germany - **USD 1.6 million** (Phase II of Soil4Nutrition project)
- Ongoing discussions with Japan, the People's Republic of China, and the Russian Federation

# Call to the GSP Plenary Assembly

**We thank all the resource partners and all the in-kind contributions that have made the GSP outcomes and outreach possible over the years.**

**But more contributions are needed to ensure the continuity of global, regional and national activities.**

**Contact the GSP Secretariat for funding ideas and proposals!**
