Information letter

II International scientific – practical conference of the Kyrgyz Soil Science Society
“**The role of soil science for sustainable development of agriculture and the environment**”
devoted to the 90th anniversary of academician Mamytov Aman Mamytovich,
May 26-27 2017, Bishkek, Kyrgyz Republic

The goal of the Public Association “**Kyrgyz Soil Science Society named after academician A.M.Mamytov**” is to promote the management, conservation and protection of soil resources of the Kyrgyz Republic, which ensure food safety and ecology of the country.

Aman Mamytovich Mamytov - the founder of genetic and mountain soil science in Kyrgyzstan, doctor of agricultural sciences on a specialty "Soil Science", Professor, Academician of the National Academy of Sciences, Academician of the Academy of Agricultural Sciences (1978), Honoured Worker of Science of the Kyrgyz Republic, laureate of the State Prize of the Kyrgyz Republic in the field of science and technology.

Academician A.M.Mamytov - an outstanding scientist, a mentor and organizer of science, public and statesman. He spent most of the research work on the genesis, geography, classification and taxonomy of soil in Tien-Shan. In May 2017, the academician A.M.Mamytov would have turned 90 years old.

In this regard, the Public Association “Kyrgyz Soil Science Society named after academician A.M.Mamytov” is planning to conduct II international scientific-practical conference “The role of soil science for sustainable development of agriculture and the environment” in cooperation with the Kyrgyz National Agrarian University named after K.I. Skryabin with support from the GEF/SGP and NABU Representation in the Kyrgyz Republic on May 26-27, 2017.

Organizing committee is pleased to announce call for participation in the conference, submitting presentations of scientific articles during the conference. Thesis presentations should be devoted to the topics of soil science and environmental protection. Organizing committee will make a selection of the best presentation for the conference. All interested should submit filled-out application papers (see attached) to the email of the Organizing committee (kyrgyzsoil@mail.ru). Working languages of the conference are English, Kyrgyz and Russian.

Presentation thesis required to have following information:

1. UDK top left
2. Full name of the author (co-authors), email address of the main applicant;
