Codex Committee on Fats and Oils (CCFO)

Proposed Draft Revision of the Standard for Olive Oils and Olive Pomace oils

Objective

The objective of this webinar is to provide an update on the work of the electronic working group for the Proposed Draft Revision of the *Standard for Olive Oils and Olive Pomace Oils*. Codex Members and Observers will gain an insight on specific aspects of the text, noting changes introduced and the progress made, as well as identifying outstanding issues that require further work, and where consensus is needed in order to aid the discussion and finalization of the proposed draft revision.
