Usergroup name: CCMAS43:HNP (CXS234)

The platform will require members to login. New participants to the platform should first register. ([online guide](#), [video tutorial](#))

Once your CCP has sent your application you can request to join the EWG usergroup directly on the platform. You do not need to create a new registration if you have previously used the platform.

#### Programme and timeline

The work programme and timelines will be circulated to members of the EWG soon after its establishment.

We look forward to your participation.
