### Procedure to register to EWGs

Codex Members and Observers are invited to register their experts for this EWG. When there is more than one expert, each country or observer organization shall designate **one** as the official representative to participate in the EWG.

Applications should be sent through the Codex Contact Point (CCP) of the member or recognized observer organization in an email detailing:

- participant's name
- official title or position
- organization or country
- email address.

### The EWG platform

Link: <http://forum.codex-alimentarius.net/index.php>

User-Group name: **CCPR-Unsupported Compounds and NRD (2024)**

The platform will require members to login.

New participants to the platform should first register ([online guide](#), [video tutorial](#))

Those participants who have previously registered on the platform can request to join the user-group directly.

The EWG Chair will give participants access to the group online once they have verified their credentials. Please ensure you follow the application procedure and email the chair through your CCP, even if you are registered on the platform.

### Programme and timeline

The work programme and timelines will be circulated to members of the EWG soon after its establishment.

We look forward to your participation.
