### GACSA and CSAYN Global: Road to COP27 - YOUTH Circle

With the Youth Circle event the main aim was to put youth in front of COP27 preparations, opening the dialogue about the COP27 outcomes, food system developments and recommendations for upcoming global summit fostering intergenerational and intercultural knowledge exchange. The flagship event consisted of three main parts: - Reflection on the past achievements of the international negotiations - Sharing good practices implemented in different countries which contribute to global climate action efforts. - Mapping the road towards COP27, major focus pointed for the discussion and hopes for upcoming conference in terms of adopted agreement

### Did you know Mana Pacific

Mana Pacific Inc is an active GACSA Member. It is a social impact company and benefit corporation that develops, finances, and de-risks scalable island resiliency projects in Hawaii and the 22 Pacific Island Territories and Countries. As a social impact company, they prioritize doing work that consciously solves local communities' needs. They are addressing energy and resource scarcity and #climate risk in the Pacific by employing transformational, disruptive, and regenerative business models and solutions to create opportunities for change at every segment of the economic spectrum.

### GACSA and Action Groups. GET INVOLVED

The objectives of the action groups is to provide the services and address knowledge gaps required by members and other entities to undertake their CSA up-scaling actions and interventions.

Within the Alliance there are three initial action groups on:

**Knowledge:** Increasing and promoting knowledge, research, and development

### World Food Forum Flagship Event coming up!

The Global Alliance for Climate-Smart Agriculture (GACSA) is a proud partner of World Food Forum (WFF), and its flagship event is just around the corner!

Building on last year's success, this year's flagship event will comprise the Global Youth Forum for Food and Agriculture, the Science and Innovation Forum and the Hand-in-Hand Investment Forum. ➤ The WFF flagship event will take place from 17 to

### Sharing the work of GACSA Members !

We would like to share with you a new GACSA initiative, as we would like to showcase the great work of GACSA Members on global level. Please feel free to share YOUR latest CSA related projects and innovation ideas with us! Email directly [jana.stankova@fao.org](mailto:jana.stankova@fao.org)

Requirements are as per below:

- Max number of words: 160 (the short summary is divided into: Background/Issue (50 words

into technologies, practices, and policy approaches for CSA.

**Investment:** Improving the effectiveness of public and private investments that support the three pillars of climate-smart agriculture.

**Enabling environments:** Integrating climate-smart agriculture into policy, strategies and planning at regional, national, and local levels and across landscapes.
