Inaugural Meeting for GACSA Regional Alliance for Central Africa

Inaugural meeting for Regional Alliance for Central Africa took place on 27 April 2022. Africa Climate-Smart Agriculture Alliance (ACSAA), is an affiliate of the Global Alliance for Climate-Smart Agriculture (GACSA), is a pan-African multi-stakeholder platform to facilitate peer exchange and learning, build a common understanding of contributions to CSA, aligning and harmonizing various climate change and agriculture programs undertaken across Africa at multiple scales. The Africa CSA Alliance also provides the necessary coordination platform to progress towards achieving the African Union 25x25 Vision on CSA. The virtual event was held in French.
