

Monthly Highlights - January 2022

GACSA Membership Update

With the rapidly growing GACSA Membership, we would like to ensure that all our members remain visible to us and especially to each other. In addition, we want to hear from your side, what your expectations and wishes from GACSA are, including your future contributions. Therefore, we would like to kindly ask you to affirm your commitment to GACSA and provide us with additional information by filling out the below online form , by **01 March 2022**.

GACSA 2030 and beyond

New Strategic Plan 2022-2032 has been adopted and approved during GACSA Annual Forum on 18-19 November 2021, by GACSA Members.

The new Strategic Plan has three main thematic areas:
1. Sustainable Agriculture: Addressing Climate Change in a Multi-Dimensional Food System
2. Innovation and Technologies for Climate-Smart Agriculture
3. Resiliency and Climate Change Adaptation
The Strategic Plan is available below.
