Diálogo Regional de la Plataforma de Acción Climática en Agricultura de Latinoamérica y el Caribe

PLACA, en colaboración con GACSA, está organizando un diálogo en el marco de la Cumbre de Sistemas Alimentarios de Diálogos Independientes y de sus Pistas de Acción. Este evento pretende ofrecer una oportunidad única para que los actores de ALC dialoguen sobre la importancia de contar con una plataforma regional para la agricultura y el cambio climático, orientada al desarrollo agrícola productivo, adaptado a los efectos del cambio climático, resiliente y con bajas emisiones de gases de efecto invernadero.
