Open Call ! TECA - Technologies and Practices for Small Agricultural Producers

FAO's Research and Extension Unit (AGDR) manages the Technologies and Practices for Small Agricultural Producers (TECA) Platform, to bridge the knowledge gap between developers of technologies and practices and those that can apply them.

TECA has just released an "Open call for technologies and practices" for submissions on sharing practices and technologies that can help smallholder farmers and producers to overcome the current challenges.

Call for submissions is open until **30 July**, find out more below !
