

**“Communicating Development”**  
**An international audio series of AMARC**

DATE: **March 04, 2016**

The undersigned **Qayssar R. Ahmed**, producer for **Radio Dangi NWE in Halabja – Iraq** declare to have produced a radio feature for the international audio series **“Communicating Development”**.

I understand that I have to send the following documents:

- ⤴ **the title of the audio production**
- ⤴ **a brief description of the production**
- ⤴ **a script of the production**
- ⤴ **a final version of the audio file** (via [We Transfer](#) to [secretariat@si.amarc.org](mailto:secretariat@si.amarc.org))
- ⤴ **the evaluation and follow up form**
- ⤴ any additional **information required** for proper operation of the project to the satisfaction of AMARC and UNFAO.

I understand that I **have to send a picture** and the **logo of the radio** to illustrate my production on AMARC’s website and to facilitate its promotion.

I understand that I will have to complete an **evaluation form**.

*\*\*This form will be sent by the International secretariat of AMARC after my audio has been added to “Communicating Development”*

I understand that I **have to include** the following sentence at the end of my audio production:  
*(\*\*This sentence may be translated to the language of the production)*

**This segment is part of an audio series highlighting the importance of Communication as a major tool for Development. It has been produced with the support of the World Association of Community Broadcasters and the Food and Agriculture Organization of the United Nations, FAO**

I understand that I will receive a financial compensation of **100\$** for my participation when I have complied with all the requirements at the satisfaction of AMARC and UNFAO.

March 2, 2017	02 :15 PM	Radio Dangi NWE

**Title of the radio production (The title can be in the local language, with a translation in English)**

healthy ways of food consumption and canned food ( ريڤڤه ته ندرسته كانى خواردن و خواردنى له قووتونراوه كان )

**Language of Production**

Kurdish

**Please provide a brief written description of the subject discussed in the audio submitted. (maximum 200 words) (May be written in local language, translation in English required)**

The program was dedicated to the topic of healthy ways of food consumption. The invitee expert talked about the importance of homemade foods compared to canned food which may cause different kinds of health problem especially in stomach and digestive system. She also added that some of the canned food can cause cancer. She advised the audience to check the expiry date of the canned productions in order to protect themselves from further dangerous impacts of expired food. During the program, the food expert talked about healthy recipes that were very affordable and encouraged the audience to add vegetable and fruit to their recipe and meals. She also explained the side effects of organic food from green houses and she talked about different ways to wash the organic vegetables so as to protect the consumers from being poisoned and have health problem from various types of chemicals that are used to grow that kind of vegetables.
