IPROMO 2019 Summer School

Landscape approach for enhancing mountain resilience

The landscape approach for enhancing mountain resilience was under discussion at the 2019 International Programme on Research and Training on Sustainable Management of Mountain Areas (IPROMO) in Ormea and Pieve Tesino, Italy, from 2 to 18 July.

Some 30 officers, development experts and technicians from around the world took part in the intensive training course, which included lectures, seminars, group work and. . . [Read More »](#)

Members' Voices

Alberto Pascual, Fundación CoMunidad

Fundacion CoMunidad has been a Mountain Partnership (MP) member since 2012. Our organization has been working since 2007 to promote sustainable mountain development in North and Central America and the Caribbean, but particularly in our home: Panama. . .

Mountain Sustainability: Turning Competing Interests into a Shared Vision

Guest article from IISD, written by Rosalaura Romeo, Programme Officer for MPS

About one billion people live in mountainous areas around the world, but we all depend, in some way, on healthy mountains

and their benefits, including water, food, energy, biodiversity and employment. . [Read More »](#)

Mountain Facts

Mountains provide
between 60 and **80%**
of all freshwater
resources for our planet.

Call for Action

Targeted investments

Sustainable production and diversification of food systems

Strengthening skills and value chains

Mountain related policies

MEMBERS

Currently, the Mountain Partnership has 374 members:

60 governments, 8 subnational authorities, 16 intergovernmental organizations and 290 major group organizations (*e.g. civil society, NGOs and the private sector*).

Please feel free to contact them for possible collaborative projects and ideas. We wish to welcome the following new members:

[Himalayan Circuit, Nepal](#)
[Chinese Academy of Agricultural](#)

CALL FOR NEWS

Keep Mountain Partnership members informed of your activities!

Please email Sara.Manuelli@fao.org info about new projects and programmes, initiatives, events, publications, newsletters, vacancies or calls for papers.

The Mountain Partnership is a United Nations voluntary alliance of partners dedicated to improving the lives of mountain peoples and protecting mountain environments around the world.
