International Mountain Day 2019 Einaudi concert in Milan

This year's International Mountain Day hub of celebrations is in Milan, Italy, with events that will increase attention to mountain environments and communities, and the significant effects of climate change on mountain areas. The day will feature a panel, open to the public, featuring artists, scientists, activists, climbers and development experts who will discuss climate action in mountains ... [Read More](#)

Members' Voices

Samuel Elzinga, Utah International Mountain Forum - United States of America

I am a Utah Valley University (UVU) student and president of the Utah International Mountain Forum (UIMF), the club I have been a part of for the past two years. Youth advocacy is at the heart of UVU... [Read More](#)
