

MOUNTAIN PRODUCERS

PRESERVING TRADITION PROMOTING INNOVATION

21 SEPTEMBER 2018

TERRA MADRE, BLUE ROOM, LINGOTTO, TURIN, ITALY 15:30 - 17:30

From the mountains to the fork, the Mountain Partnership Products Initiative promotes mountain agriculture while preserving mountain agrobiodiversity and improving the livelihoods and the economies of mountain communities, some of the poorest in the world. This high-level panel will lay out some of the opportunities that mountain products offer to mountain communities to improve their livelihoods while preserving biological and cultural diversity focusing on production and consumption, marketing and the social and scientific perspective.
