Mountains celebrated worldwide on IMD 2019

Mountain lovers and communities around the world mobilized for International Mountain Day (IMD) 2019. From government officials to environmentalists, mountaineers to

schoolchildren, the world paid attention to mountain peoples and environments. 'Mountains matter for youth' was the theme of IMD 2019 ... [Read More](#)

[Trees, forests and land use in drylands:
The first global assessment](#)

Drylands are a vital but often overlooked resource... The report - the first of its kind - provides a baseline for future monitoring and will support countries in their efforts to identify appropriate investments for the restoration and sustainable management of drylands (the report mentions mountains 47 times!) ...
