WMO Summit Identifies Priority Action For High Mountains

About 150 high-level stakeholders came together at the World Meteorological Organization's (WMO) High Mountain Summit from 29 to 31 October 2019 in Geneva, Switzerland. The Summit was convened to address the effects of climate change observed in high mountain cryosphere and their downstream impacts... [Read More](#)

Members' Voices

Ashmita Lama, OWF, Nepal

I can remember being a child playing in the mountains: picking wild orchids for my hair, swimming in a stream, climbing trees to pick berries. What I know now, but did not then, is that mountains are the base of our livelihoods and natural heritage... [Read More](#)
