Mountains celebrated worldwide on IMD 2020

From online webinars and virtual book presentations, to physically distanced hikes and outdoor events, the message that mountains matter was spread far and wide around the world on 11 December. Government officials, environmentalists, mountaineers and schoolchildren found safe and creative ways to celebrate International Mountain Day 2020 ... [Read More](#)

[Vulnerability of mountain peoples to food](#)

[insecurity: updated data and analysis of drivers](#)

The study reveals that in rural mountain regions of developing countries food insecurity has steadily increased during the period 2000–2017 going from 44 to 53 percent. It provides an overview of the world's mountain areas and assesses the vulnerability to food insecurity of mountain dwellers in developing countries ... [Read More](#)

Tales of Mountain Biodiversity

The Mountain Partnership and the [Global Mountain Biodiversity Assessment](#) created the “Tales of Mountain Biodiversity” initiative as a way to celebrate International Mountain Day 2020's theme #MountainBiodiversityMatters with stories from around the world.

[This story and photos](#) were submitted by Kondwani Chamwala. It describes how the communities surrounding the Mt Mualnje Biosphere Reserve rely on the area for its diversity of unique plant and animal species to support their livelihoods.

Call for Action

MEMBERS

Currently, the Mountain Partnership has 416 members:

60 governments, 8 subnational authorities, 18 intergovernmental organizations and 330 major group organizations (*e.g. civil society, NGOs and the private sector*).

Please feel free to contact them for possible collaborative projects and ideas.

We wish to welcome the following new members:

CALL FOR NEWS AND IMD REPORTS

Keep Mountain Partnership members informed of your activities!

Please email Sara.Manuelli@fao.org info about International Mountain Day events, new projects and programmes, initiatives, events, publications, newsletters, vacancies or calls for papers.

The Mountain Partnership is a United Nations voluntary alliance of partners dedicated to improving the lives of mountain peoples and protecting mountain environments around the world.
