The Aspen International Mountain Foundation (AIMF) will host the sixth Global Meeting of the Mountain Partnership in Aspen, Colorado, United States of America in September 2022, as decided by vote of the Mountain Partnership Steering Committee. ... [Read more](#)

## Members' Voices

### [Mathew John, Last Forest Enterprises Pvt. Ltd.](#)

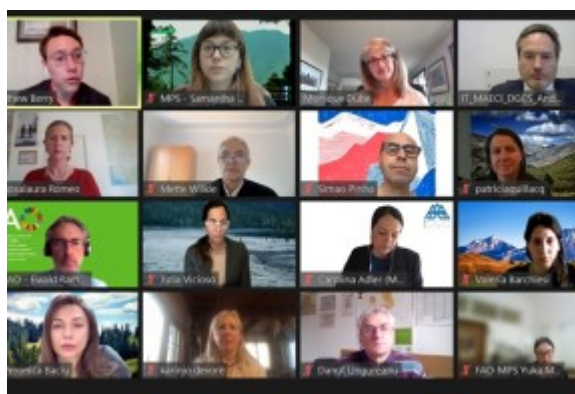

Last Forest is a social enterprise pioneering sustainable living choices by connecting communities to markets. They promote eco-friendly, thoughtful and meaningful products made by indigenous communities in the mountains of the Nilgiri Biosphere Reserve in South India. Indigenous communities represent 8.6 percent of the population of India. They are the last stewards of complex systems of biodiversity that ... [Read more](#)

[In Pakistan, a once-threatened pine tree is staging a comeback](#)

This month, the world celebrated the launch of the United Nations Decade on Ecosystem Restoration on 5 June, World Environment Day. To mark the day, the United Nations Environment Programme shared this success story. Set in the mountains of Balochistan in Pakistan, the article describes a campaign to conserve Balochistan's mountain forests and one of their most recognizable trees, the Chilghoza pine. ... ## Tales of Mountain Biodiversity

The Mountain Partnership and the [Global Mountain Biodiversity Assessment](#) created the [“Tales of Mountain Biodiversity”](#) initiative as a way to celebrate the 2020 International Mountain Day theme #MountainBiodiversityMatters with stories from around the world.

[This story and photos](#) were submitted by Moshen Batte. In his mountain biodiversity tale, Moshen describes the butterflies of Lekgalameetse Provincial Park, a conserved wilderness area in South Africa.

### Call for Action

A graphic with an orange background containing four circular icons and their corresponding text labels. From left to right: a target icon labeled 'Targeted investments'; two hands holding a green leaf icon labeled 'Sustainable production and diversification of food systems'; three interlocking gears icon labeled 'Strengthening skills and value chains'; and a clipboard icon labeled 'Mountain related policies'.

**Targeted investments**

**Sustainable production and diversification of food systems**

**Strengthening skills and value chains**

**Mountain related policies**

## MEMBERS

Currently, the Mountain Partnership has 428 members:

60 governments, 8 subnational authorities, 18 intergovernmental organizations and 342 major group organizations (*e.g. civil society, NGOs and the private sector*).

Please feel free to contact them for possible collaborative projects and ideas. We wish to welcome the following new members:
