Closing of the Session

14.30 – 16.00 hours

Informal technical dialogue – parallel to the main Session

Effects of climate change on disease landscapes in the REU region

Room 101/A – Ministry of Agriculture

Considering that the 40th ECA session has a unique participation of government experts, the research community, CSO and other stakeholders an additional opportunity for an informal dialogue and discussion has been created on day 2. The dialogue will further assess the impact of climate change on the disease landscapes and discuss future priority areas for regional interventions. This session which will run in parallel to Plenary, it is left to the discretion of delegations if there is an interest to send one of their members to this event.

Additional information on the dialogue is available on the ECA 40th session webpage.
