## Transportation to Skopje

For supported participants transportation will be organized by the local partner FAGRICOM responsible for the logistical support for the Workshop. All participants are individually contacted for arrangement of travel details. The process is still on-going for some of the participants.

The participants from partner organizations are expected to arrange their own travel and accommodation but could be also assisted in the process by Fagricom.

The participants who require visa to enter the Country are supported by information and supporting documents by the relevant organization who has invited them.

## Local transport

There will be shuttles arranged for the participants whose flight tickets were purchased through FAGRICOM between the airport and conference hotel according to the participants' flight schedule.

For the participants who did not receive their flight tickets through Fagricom please contact Ms. Daniela Buzarovska (contact details below) if you would like to use the shuttles.

The participants who already asked for shuttle will be informed on detailed shuttle schedule and other relevant information few days before arrival.

## Conference Venue - Holiday Inn Skopje hotel

Holiday Inn Skopje is centrally located and overlooks the River Vardar. Its location allows easy reach of main City Square, the iconic Stone Bridge, the Old Bazar and the historic Kale Fortress offering sweeping views of the city. The Museum of the Macedonian Struggle, Macedonian Opera and Ballet and National Theatre are also in close proximity.
