## Options for cooperation between FIG, FAO and LANDNET

Marije Louwsma  
chair elect commission 8

kadaster

## FIG – International Federation of Surveyors

Commissions	
1. Professional standards and practice	6. Engineering Surveys
2. Professional education	7. Cadastre and Land Management
3. Spatial Information Management	8. Spatial Planning and Development
4. Hydrography	9. Valuation and Real Estate
5. Positioning and Measurement	10. Construction Economics and Management

## Commission 8

- Term 2019-2022
- Work Plan:
  - Describes activities – partners – deliverables
- Themes:
  - Rural-urban dependencies
  - GIS tools for spatial planning (joint Working Group with commission 3)
  - Urban Challenges (joint Working Group with commission 7 and 9)
  - Land policy tools for spatial development
- Time schedule:
  - Finalise plan - December 2018
  - General Assembly will have to approve during FIG WW in Vietnam - April 2019

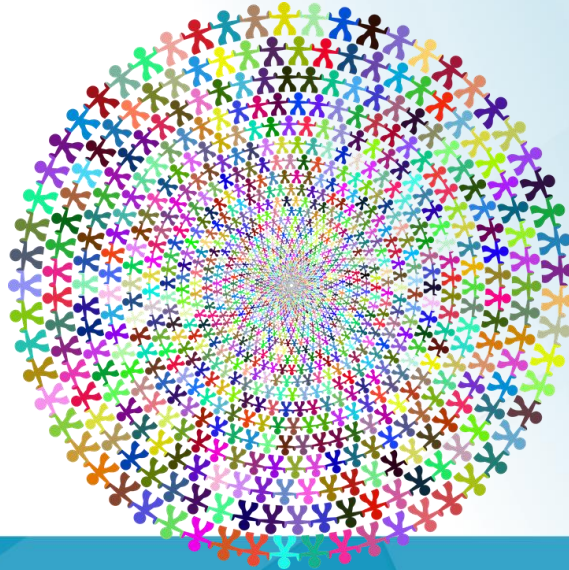

## Terms of Reference

- Spatial planning policy, implementation, monitoring and evaluation
- Land policy instrumentation for the implementation of spatial plans
- GIS tooling in spatial planning
- Rural-urban relations and dependencies
- Participatory and inclusive planning processes
- Urbanization patterns and development strategies
- Valuation in spatial planning and land use change
- Sustainable development

## Possibilities for cooperation

## Joint Meetings / Workshops / Symposia

- Regular yearly FIG working weeks / congress
  - Submission of papers
  - Special sessions
  - Technical tours
- Joint workshops
  - Preferably in autumn, e.g. 2019 and 2021
- Other ideas?

## Joint Research

- **COST proposal:**
  - LANDscarCITIES
    - Role of land as a resource in spatial planning in urban, peri-urban and rural areas
  - To be resubmitted spring 2019
- **Other topics?**

## Joint publication about Land Consolidation

- Chapter 1 – Intro spatial planning / aims LC / tenure
- Chapter 2 – LC / tenure (VGGT)
- Chapter 3 – Different forms of LC
- Chapter 4 – Legal framework
- Chapter 5 – Public participation
- Chapter 6 – GIS tools
- Chapter 7 – Evaluation methods (improvement)
- Chapter 8 – Conclusions & recommendations

**Other LC  
topics?**

Other topics for a joint publication?

- GIS tools as separate publication
- Land policy tools
- Rural land market

## Overview - planning

## Discussion

- Which themes & topics important for LANDNET?
- Ambitions LANDNET?
- Who would like to contribute?
- ....
