

Staged Tool for the **Elimination of Brucellosis**

Brucellosis Progressive Control Workshop for Central Asia (TCP/SEC/3702)

November 11-13, 2019

Tashkent, Uzbekistan

Objectives for Day 1

1. Gain familiarity with the latest brucellosis best practises and guidelines
2. Increase awareness of brucellosis within other Central Asia countries
3. Gain familiarity with the use of the Staged Tool for the Elimination of Brucellosis (STEB)

DAY 1: November 11, 2019		LEADER:
8:30 – 9:00 am	Registration	CDC/FAO
9:00 – 9:30 am	Welcoming Remarks (Presentation)	CDC/FAO
9:30 – 10:00 am	Overview of brucellosis control in animals: lessons learned from other countries (Presentation)	Jose M. Blasco
10:00 – 10:30am	Overview of brucellosis control in humans (Presentation)	CDC/FAO
10:30 – 10:45 am	Coffee Break	Not Applicable
10:45 – 12:15 pm	Brucellosis overview in humans and animals in Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan (Presentation)	All participating country officials
12:15 – 1:15 pm	Lunch	Not Applicable
1:15 – 1:45 pm	Meeting objectives & overview of the progressive control approach (Presentation)	CDC/FAO
1:45 – 2:00 pm	Overview of the STEB tool & Dissemination of Materials (Presentation)	CDC/FAO
2:00 – 3:00 pm	Conduct STEB assessment (Country-level group activity)	CDC/FAO facilitated group work
3:00 – 3:15pm	Coffee Break	Not Applicable
3:15 – 4:45 pm	Work in Groups: STEB assessment (continued) (Country-level group activity)	CDC/FAO facilitated group work
4:45 – 5:00 pm	Wrap up Day 1	CDC/FAO

Objectives for Day 2:

1. Use the results and outputs of the STEB assessment to develop short and long-term goals that may form the basis of a prevention and control program for brucellosis in each country.

DAY 2: November 12, 2019		LEADER:
8:30 – 9:00 am	Registration	CDC/FAO
9:00 – 9:15 am	Recap: Day 1 (Presentation)	CDC/FAO
9:15 – 10:30 am	Work in groups: STEB assessment (continued) (Country-level group activity)	CDC/FAO facilitated group work
10:30 – 10:45 am	Coffee Break	Not Applicable
10:45 – 11:15 pm	Interpreting results and outcomes (Presentation)	CDC/FAO
11:15 – 12:15 pm	Complete Part 1 of STEB output report (Country-level group activity)	CDC/FAO facilitated group work
12:15 – 1:15 pm	Lunch	Not Applicable
1:15 – 2:30 pm	Add and prioritize pending activities (Country-level group activity)	CDC/FAO facilitated group work
2:30 – 3:00 pm	Assign roles and responsibilities for pending activities (Country-level group activity)	CDC/FAO facilitated group work
3:00 – 3:15pm	Coffee Break	Not Applicable
3:15 – 4:00 pm	Develop timelines for pending activities (Country-level group activity)	CDC/FAO facilitated group work
4:00 – 4:45 pm	Create presentation for Day 3 (Country-level group activity)	CDC/FAO facilitated group work
4:45 – 5:00 pm	Wrap up Day 2	CDC/FAO

Objectives for Day 3:

1. Introduction to the Stepwise Approach for the Progressive Control of Brucellosis
2. Develop an understanding of country-level brucellosis capacity in each of five Central Asian countries
3. Apply country-level brucellosis situation to the regional context in order to develop a preliminary network for brucellosis in Central Asia

DAY 3: November 13, 2019		LEADER:
8:30 – 9:00 am	Registration	CDC/FAO
9:00 – 9:30 am	Recap: Day 2	CDC/FAO
9:30 – 10:30 am	Outcomes of the STEB and strategy for progress in each country (Kazakhstan, Kyrgyzstan)	All participating country officials
10:30 – 10:45 am	Coffee Break	Not Applicable
10:45 – 12:15 pm	Outcomes of the STEB and strategy for progress in each country (Tajikistan, Turkmenistan, Uzbekistan)	All participating country officials
12:15 – 1:15 pm	Lunch	Not Applicable
1:15 – 1:45 pm	Development of clinical practice guidelines and zoonotic disease prioritization in Uzbekistan	All participating country officials
1:45 – 3:00 pm	Technical aspects of brucellosis prevention and control	Jose M. Blasco
3:00 – 3:15 pm	Coffee Break	Not Applicable
3:15 – 4:15 pm	The overlap in country activities and the regional brucellosis context (Plenary discussion)	CDC/FAO facilitated group discussion
4:15 – 4:45 pm	Concluding remarks and feedback	CDC/FAO
4:45 – 5:00 pm	Wrap up Day 3	CDC/FAO
