LEGS and FAO would like to invite you to attend a four-part webinar series:

# Emergencies, their impact on Livestock-related Livelihoods and the Emergency Response

**Presenter:** Polly Bodgener, Senior LEGS Trainer

The webinars will be held in Russian and in English language.

The webinars will be based on the Livestock Emergency Guidelines and Standards, illustrated by experiences from Eastern Europe and Central Asia and each webinar will build on the previous one. By the end of the series participants will have increased awareness and capacity to support the saving of lives and livelihoods of livestock owning communities affected by disasters.
