

**Appendix III - Trade flow by region**

**Appendice III - Direction du commerce par région**

**Apéndice III - Dirección del comercio por región**

---

NOTE

This table presents the value of international fishery trade by region of origin of imports and of destination of exports, for selected countries or areas available in the COMTRADE database of the United Nations Statistics Office in March 2018. National data in COMTRADE may differ from those presented in other parts of this section of the Yearbook of Fishery and Aquaculture Statistics due to:

- the different coverage of countries or areas
- the different statistical treatment of direct landings and transshipments
- the exclusion of re-exports.

See Appendix I, pag. 225, of this section, for the country composition of each region and the French/Spanish translation.

NOTE

Ce tableau présente la valeur du commerce international de poissons et produits de la pêche par région de provenance des importations et de destination des exportations, pour un choix de pays ou zones disponibles dans la base de données du Bureau de statistiques de l'ONU (COMTRADE) en mars 2018. Les données nationales de COMTRADE peuvent être différentes de celles présentées dans d'autres parties de cette section de l'Annuaire des statistiques des pêches et de l'aquaculture à cause:

- la couverture différente des pays ou des zones
- du différent traitement statistique des débarquements à l'étranger et des transbordements
- de l'exclusion des ré-exportations.

Voir Appendice I, page 225, de cette section, pour la composition par pays de région et pour la traduction française/espagnole.

NOTE

Este cuadro presenta el valor del comercio internacional de pescado y productos de la pesca por región de origen de las importaciones y de destinación de las exportaciones, por países o áreas escogidos obtenidos en la base de datos COMTRADE de la Oficina de Estadística de las Naciones Unidas en marzo 2018. Los datos nacionales de COMTRADE pueden ser diferentes de los presentados en otras partes de esta sección del Anuario de las Estadísticas de Pesca y Acuicultura debido:

- la diferente cobertura de países o áreas
- al distinto tratamiento estadístico de los desembarques y transbordos
- a la exclusión de las re-exportaciones.

Véase Apéndice I, página 225, de esta sección, para la composición de cada región y para la traducción en francés/español.
