The countries or areas listed in this table are those with capture production of 200 000 tonnes or more in 2018.

Les pays ou zones présentés dans ce tableau sont ceux dont les captures ont été de 200 000 tonnes ou plus en 2018.

Los países o áreas listados en este cuadro son referentes a los que totalizan unas capturas de 200 000 toneladas o más en 2018.

The world total includes countries not reported here and estimates for values that were not reported.

Le total mondial comprend des pays non énumérés ici et des estimations pour les valeurs non déclarées.

El total mundial incluye países que no figuran aquí y estimaciones para los valores no proporcionados.

Values flagged with F are FAO estimates and might be subject to revision.

Les valeurs marquées avec F sont des estimations de la FAO et peuvent être sujettes à révision.

Los valores marcados con F son estimaciones de la FAO y pueden estar sujetos a revisión.

PW Motorized vessels propelled by engines.

Bateaux propulsés par des moteurs.

Embarcaciones impulsadas por motores.

NP Unmotorized vessels propelled by oars or sails.

Bateaux non motorisés à rames ou voiles.

Embarcaciones no motorizadas impulsadas por remos o velas.

* Reporting for Viet Nam only includes marine vessels over 90 HP.

* Les rapports pour le Vietnam ne concernent que les navires marins de plus de 90 CV.

* Los informes para Vietnam solo incluyen embarcaciones marinas de más de 90 CV.

Number of fishers
Nombre de pêcheurs
Número de pescadores

| Total mundial | | | | | | | | | | |

The countries or areas listed in this table are those with capture production of 200 000 tonnes or more in 2018.

The data in this table do not include fish farmers which are presented in a specific table.

The world total includes countries not reported here and estimates for values that were not reported.

* Not all data reported by China is separated between fish farmers and fishers and so some of the fish farmers may be aggregated with fishers in these figures.

** The employment data reported by Russian Fed aggregates fishers and fish farmers together. The aggregated value is presented in this table for fishers and not in the table on fish farmers.

Values flagged with F are FAO estimates and might be subject to revision.

Les pays ou zones présentés dans ce tableau sont ceux dont les captures ont été de 200 000 tonnes ou plus en 2018.

Les données de ce tableau ne comprennent pas les aquaculteurs qui sont présentés dans un tableau séparé.

Le total mondial comprend des pays non énumérés ici et des estimations pour les valeurs non déclarées.

* Pas toutes les données déclarées par la Chine sont ventilées par pisciculteurs et pêcheurs. C'est donc possible que le total présenté ici inclue des pisciculteurs avec les pêcheurs.

** Les données sur l'emploi déclarées par la Russie ne sont pas ventilées par pêcheurs et pisciculteurs. La valeur totale est présentée dans ce tableau sur les pêcheurs et pas dans le tableau sur les pisciculteurs.

Les valeurs marquées avec F sont des estimations de la FAO et peuvent être sujettes à révision.

Los países o áreas enumerados en esta tabla son aquellos con capturas de 200.000 toneladas o más en 2018.

Los datos en esta tabla no incluyen a los acuicultores que se presentan en una tabla separada.

El total mundial incluye países que no figuran aquí y estimaciones para los valores no proporcionados.

* No todos los datos notificados por China están desglosados por piscicultores y pescadores. Por lo tanto, es posible que el total presentado aquí incluya algunos piscicultores con los pescadores.

** Los datos de empleo comunicados por Rusia no están desglosados por pescadores y piscicultores. El valor total se presenta en esta tabla sobre los pescadores y no en la tabla sobre los piscicultores.

Los valores marcados con F son estimaciones de la FAO y pueden estar sujetos a revisión.

| Total mundial | | | | | | | | | | |

The countries or areas listed in this table are those with aquaculture production of 160 000 tonnes or more in 2018.

The data in this table do not include fishers which are presented in a specific table.

The world total includes countries not reported here and estimates for values that were not reported.

* Not all data reported by China is separated between fish farmers and fishers and so fish farmers may be underreported in these figures.

** The employment data reported by Russian Fed aggregates fishers and fish farmers together. The aggregated value is not presented in this table but in the table on fishers.

Values flagged with F are FAO estimates and might be subject to revision.

Les pays ou zones énumérés dans ce tableau sont ceux avec une production aquacole de 160 000 tonnes ou plus en 2018.

Les données de ce tableau ne comprennent pas les pêcheurs qui sont présentées dans un tableau séparé.

Le total mondial comprend des pays non énumérés ici et des estimations pour les valeurs non déclarées.

* Pas toutes les données déclarées par la Chine sont ventilées par pisciculteurs et pêcheurs. C'est donc possible que les données des pisciculteurs présentées ici soient sous-estimées.

** Les données sur l'emploi déclarées par la Russie ne sont pas ventilées par pêcheurs et pisciculteurs. La valeur totale n'est pas présentée dans ce tableau mais dans le tableau sur les pêcheurs.

Les valeurs marquées avec F sont des estimations de la FAO et peuvent être sujettes à révision.

Los países o áreas enumerados en esta tabla son aquellos con una producción acuícola de 160 000 toneladas o más en 2018.

Los datos en esta tabla no incluyen a los pescadores que se

El total mundial incluye países que no figuran aquí y estimaciones para los valores no proporcionados.

* No todos los datos notificados por China están desglosados por piscicultores y pescadores. Por lo tanto, es posible que se subestimen los datos de piscicultores presentados aquí.

** Los datos de empleo comunicados por Rusia no están desglosados por pescadores y piscicultores. El valor total no se presenta en esta tabla sino en la tabla sobre los pescadores.

Los valores marcados con F son estimaciones de la FAO y pueden estar sujetos a revisión.

The countries or areas listed in this table are those with reported processing data for the joint FAO-OECD employment data collection, ranked by magnitude for 2018. A global total is not reported here due to lack of processing employment data for countries outside the FAO-OECD joint collection.

Les pays ou zones énumérés dans ce tableau sont ceux pour lesquels des données de traitement ont été déclarées pour la collecte conjointe de données FAO-OCDE, classées par ordre de grandeur pour 2018. Un total global n'est pas indiqué ici dû au manque de données pour le pays hors de la collecte conjointe FAO-OCDE.

Los países o áreas enumerados en esta tabla son aquellos con datos de procesamiento facilitados para la recopilación de datos conjunta FAO-OCDE, ordenados por magnitud para 2018. No se informa aquí un total global debido a la falta de datos para países fuera de la recopilación conjunta FAO-OCDE.
