

# Fire Management Actions Alliance (FMAA)

## OBJECTIVE:

To stimulate improved fire management and to reduce damage from fire worldwide by promoting the use of the Fire Management Voluntary Guidelines.

## THE GUIDELINES:

A framework of legally non binding principles and internationally accepted strategic actions in fire management

## MEMBERSHIP:

FMAA Member organizations commit themselves to:

- Promote the Guidelines and their use
- Share knowledge, information and data on their activities
- Enhance international cooperation

Any organization, agency, or group can apply for membership.

## FMAA CONTACT:

The secretariat at FAO which provides communication, coordination and related services can be contacted at: [FMAA-Secretariat@fao.org](mailto:FMAA-Secretariat@fao.org)
